

Environmental Policy

Bang Printing is committed to the management and preservation of our natural resources and providing environmentally – conscious options to our customers. We realize that our goal is to be socially and environmentally responsible and we are committed to our journey.

Bang Printing realizes the environmental impact caused by our business operations, products and services. We strive to promote global preservation and embrace the concept of pollution prevention within our organization. All Bang Printing employees are aware of our effort at global environmental protection. We continue to maintain an environmental management system along with continuous improvement by developing internal controls to work with our suppliers to minimize or eliminate damage to the environment.

Bang Printing is currently in process of our Chain of Custody Certifications by the Forest Stewardship Council, Sustainable Forestry Initiative and is also a proud member of the Green Press Initiative. At Bang Printing, we strive to do our part to ensure preservation of our natural resources for generations to come.
